RE: Physician's Full Name

**REQUIREMENT 5**

The records presented to me by Dr. (Name) reflect that (he/she) has personally performed and interpreted \_\_\_\_ (# of cases) complete critical care transthoracic echocardiograms, between (MM/DD/YYYY) and (MM/DD/YYYY). I have discussed with Dr. (Name) his/her experiences regarding these cases and I have directly reviewed a subset of his/her cases recorded within his/her log.

I am familiar with the criteria proposed by the NBE as outlined in the definition of a critical care transthoracic echocardiogram\*. In my opinion Dr. \_\_\_\_\_ has the clinical competence and professional qualities necessary to perform as a critical care echocardiographer.

The applicant has certified the number of studies provided above are exact numbers and are not rounded and/or estimates.

Sincerely,
